

## LAW

### ON AMENDMENT TO THE LAW ON ELECTRICITY

#### Article 1

In the Law on electricity (Official Gazette of Republic of Srpska, number 8/08 – Cleaned text, 34/09 and 92/09) in Article 11, paragraph 4 is deleted.

#### Article 2

In Article 35, after paragraph 1, new paragraphs 2,3,4,5,6 and 7 are added which are as follows:

“(2) Pursuant to the Law on transmission, regulator and system operator of electricity of Bosnia and Herzegovina, for the purposes of ensuring uniform electricity market in Bosnia and Herzegovina, and non-discriminatory treatment of citizens of Bosnia and Herzegovina while distributing and supplying electricity, this Law determines the obligation of providing necessary amounts of electricity to all legal, and physical persons respectively within the scope of responsibility of Regulatory Commission under equal conditions. Exceptionally from the provision of Article 54, and pursuant to Article 63 of this Law, Regulatory Commission shall include, with appropriate licenses and amendment to the license respectively, the obligation of customers’ supply within the Brcko District of Bosnia and Herzegovina, as defined in paragraphs 4 and 5 of this Article.

(3) Elektroprivreda Republike Srpske is obliged to provide electricity in amounts required for fulfillment of all needs of non-eligible and eligible customers in Republic of Srpska.

(4) Elektroprivreda Republike Srpske may conclude the contract with the licensed utility in Brcko District which anticipates supply of electricity of up to 100% of the anticipated annual needs of customers in Brcko District, and a possibility of automatic extension of validity of such a contract.

(5) Elektroprivreda Republike Srpske may offer the contract referred to in paragraph 4 of this Article till 30 October of the current year. If such a contract is not concluded till 30 November of the current year or the licensed utility from Brcko District does not conclude such a contract with other supplier of electricity or if there is no automatic extension of any of the mentioned contracts, Elektroprivreda Republike Srpske is obliged to provide up to 50% of the anticipated annual needs of Brcko District with electricity.

(6) Obligations of Elektroprivreda Republike Srpske regulated by the previous paragraph of this Article, as well as the content and validity period of any contract concluded in accordance with those obligations shall be harmonized with activities and dynamics of the electricity market opening in Bosnia and Herzegovina.

(7) Elektroprivreda Republike Srpske shall provide electricity in the amount stated in paragraphs 4 and 5 of this Article for Brcko District of Bosnia and Herzegovina under the same conditions and tariff rates which are applicable for the same category of customers in Republic of Srpska pursuant to the metering point. The electricity price which is charged to the utility of Brcko District shall not include distribution costs within the Brcko District”.

The past paragraph 2 is now paragraph 8.

### Article 3

Exceptionally, Elektroprivreda Republike Srpske may conclude the contract referred to in Article 35 paragraph 4 of this Law, pursuant to Article 35 paragraph 7 of this Law, till 31 December 2010 with a possibility of automatic extension.

### Article 4

This law becomes effective on the eight day from the day it is published in the Official Gazette of Republic of Srpska.
